**Make a difference in your
child's education!**

Children Benefit

Research shows that children perform better when parents are engaged in education both at HOME and SCHOOL. Parental involvement boosts student achievement.

You Benefit

Use your skills and knowledge to benefit not only your child but the entire school all while building your skills as a leader.

The School Benefits

If you are ready to help us with your skills, knowledge, and leadership, please complete the form found in the link above this post!
