

## Nichols Lawson Middle School (NLMS) PTO

Why join the PTO? Where does the money go? How does the NLMS PTO serve the students and staff? Joining PTO will give you a voice to be heard. Your membership alone will give us a BIGGER voice in our schools and community. Budget, school events & volunteer opportunities will be discussed at meetings – we would love for you to join us to see all the fun things we have planned for this year. A NLMS PTO membership of \$20.00 (includes PTO membership and 1 Class T-shirt) REALLY makes a difference! Your membership helps to provide additional educational events and entertainment for students, parents and staff. We support: classroom items, copy machine supplies, teacher appreciation, end of the year party, and bringing the fun back to school!
