

NLMS Dress Code 2021-2022

Nichols-Lawson Middle School believes that dress and grooming have a bearing on behavior and the learning environment of the school. It is our hope that parents and students will assume the responsibility of adhering to the dress code policy.

All students are expected to be neat, well-groomed, and appropriately dressed for school and field trips. At no time should the student's appearance create a distraction or disruption in class. One of the primary concerns of the faculty and administration is whether or not a student's appearance interferes with the educational process and the safety and security of the students and staff. **Therefore, the administration reserves the right to address individual instances of inappropriate dress or grooming which are not covered by these guidelines.** If faculty, staff, or administration determines the student's dress or grooming to be in violation of dress code, the student will be provided an opportunity to correct and/or receive an appropriate consequence.
