WEEKLY UPDATE

- Thank you for helping us reduce the spread of the virus. Although the mask mandate expired today, **we are highly encouraging everyone to continue to take precautions and wear face coverings.**
- 1st 9 weeks progress reports will be distributed next week.
- information will be sent home next week about the Parent Portal. Stay tuned for the tutorial videos on how to access the portal.
- 7th & 8th grade students are able to check out their chrome books daily to take home if needed for schoolwork. This process has greatly reduced issues with uncharged or damaged devices.
- Congratulations to our Volleyball Team who will be hosting the area tournament next week. **Go Aggies!**

HAPPY HOMECOMING!
