

## SHS Journalism

---

Miss SHS is a tradition at Sylacauga High School. On a Friday night students, parents, teachers, and other members of the community come out to see who is crowned Miss SHS. Six candidates ran for Miss SHS. An assembly was held on Wednesday, October 3 in the auditorium to introduce all six candidates and to hear their speeches. All six girls were very involved and down to earth young ladies so it was really difficult for the students of SHS to decide on one. The six candidates were Grace Abernathy, Elizabeth Arnold, Melanee Campbell, Elizabeth Dickson, Grier Marlowe, and Anna Reeves. The students of Sylacauga High School voted for Miss SHS right after the assembly. All candidates dressed in their business attire, and were introduced Friday, October 5 at the game before it was announced who won Miss SHS. After all of the campaigning, listening to the speeches, voting, and the suspense everyone felt waiting to see who won Miss SHS, Melanee Campbell was announced 2018-2019 Miss Sylacauga High School.
