OCTOBER - NOVEMBER 2018

## SUCCESSFUL BAND COMPETITIONS

BY JORDAN FOSTER

The Sylacauga Aggie Marching Band pose with their trophies.

On October 6th in Alexander City, the Sylacauga Marching Aggie Band performed at their first band competition. The band has been rehearsing their performance since the summer. They had been assembling for months, including football season, to

get ready for their competitions. They worked extremely hard at after school practices, making sure as individuals they are superior at their craft. The auxiliary, drumline, and band were excited to show the other bands just how hard they worked. They were ready to hit the field at Lake Martin and perform their show "On Broadway." The Sylacauga Marching Aggie Band received an overall one including ones for the drum majors, the majorettes, the color guard, and percussion.

The band competed in another competition at the Hoover Metropolitan Stadium. They performed their show and waited for their score. They were very excited to receive their scores, especially after a previous successful weekend. The drum majors, majorettes, colorguard, and percussion received all ones. The band received a one, two, and another two for an

overall score of two. Along with these great scores, the Sylacauga Darlin' Devils were also recognized as the best in class.

The Darlin' Devils smile for a quick picture after being announced best in class.

## MISS SHS

BY TALIAH TAYLOR

Miss SHS is a tradition at Sylacauga High School. On October 5th, students, parents, teachers, and other members of the community come out to see who was going to be crowned. An assembly was held on Wednesday, October 3rd in the auditorium to introduce all six candidates and to hear their speeches. The six girls were very involved and down to earth young ladies so it was really difficult for the students of SHS to decide on one. The six candidates were Grace Abernathy,

Elizabeth Arnold, Melanee Campbell, Elizabeth Dickson, Grier Marlowe, and Anna Reeves. The students of Sylacauga High School voted for Miss SHS right after the assembly. All candidates dressed in their business attire, and were introduced during pregame and walked across the field with their fathers. After all of the campaigning, listening to the speeches, voting, and the suspense everyone felt waiting to see who won Miss SHS, Melanee Campbell was announced 2018-2019 Miss Sylacauga High School.

Melanee Campbell and her court smile for a picture after pregame.

## GO AGGIES!

BY LILY HUGHEY

On Monday, October 22, the Sylacauga Lady Aggies Volleyball Team competed in their area game. The girls hosted the game at NLMS. Munford and Clay Central played first. Munford beat Clay Central in the first three sets, so the Clay Central Volunteers were eliminated. The Lady Aggies then went head to head with Munford. They dominated the Lady Lions in the three sets. This win sent the girls to Montgomery on Thurs-

day; the volleyball team has not been since 2016, and Coach Blocker, Coach Wilson, and the girls were ecstatic for Thursday.

The girls first challenge was Bibb County High School. The student section was loud and proud for their Lady Aggies, and the girls defeated the Lady Choctaws with scores of 25 - 23, 25 - 14, and 25 - 7. With this win, the girls would take on their next team Satsuma High School. The

girls fought extremely hard, but lost. We are so proud of what our Lady Aggies accomplished this season!!

The Lady Aggies smile for a picture after their successful season.

## SENIOR NIGHTS

BY ANNA REEVES

All of the Lady Aggies smile after the announcement of the seniors.

Senior night is a beloved tradition that honors each respected senior class. On Thursday, October 4, Lady Aggies Volleyball Team played Munford. Before their game, each senior was rec-

ognized and presented with a bouquet of roses. With this being their last game before area, the girls played their hardest. After this great win, the girls were full of emotions and excited to play in the area match.

The football senior night was on October 19th. The journalism staff presented the school with their senior video at the pep rally. The video featured the senior football players, cheerleaders, and band members. Following the video was the spirit stick competition. Each grade yelled as loud as they could to support their Aggies. The seniors yelled as loud as they could for their final pep rally. During pregame, those same seniors

were announced. The cheerleaders and football players were given a bouquet of roses, and the band members and auxiliary were provided a rose to pin on their uniforms. After being announced, they sang the alma mater.

The senior football players line up for the coin toss against Clay Central.
